

# Managing Observation Notifications

New

Nurse/Medtech group members get a text notification when Care Staff/CNAs escalate observations, so they can respond quickly and effectively.

**Make sure the right people are notified when an observation is escalated.**

## Receiving Observation Notifications

Follow the steps below to view, add, or remove members from the Nurse/MedTech group. **Note: Only admins of the Nurse/MedTech or Manager groups can add/remove group members.**

- Tap **Team** in the bottom-right corner
- Tap the **Groups** tab, then select **Nurse/MedTech**
- **To add someone:** Tap Add Member (bottom-right), then tap Continue.
- **To remove someone:** Tap their name, then select Remove Team Member
